

CONOMIRRA – APPEAL FOR FUNDS

(Confederation of Mistbelt Ratepayers & Residents Associations)

Your Contribution will make a Difference!

In order to fund any upcoming Legal costs, an appeal is being made to all the Outer West ratepayers – residential, commercial & industrial.

- CONOMIRRA has not embarked on a drive for Funds for a number of years.
- Contributions and contributors will be kept confidential.
- Any and all contributions will be gratefully received.
- Legal costs to date have been paid, without any money been collected to offset these costs.
- Currently there are some contentious Rezoning Applications under way that are likely to go on Appeal.

These are:

1. **Shongweni Farmers Market** site rezoning to Mixed Use 1. This zoning will allow almost anything to be built on this site.
2. **Emberton Driving Range** of 525 housing units with a Gym, shops and offices.
3. **43 Victoria Avenue – Waterfall**. Rezoning application for is Education, to cater for “15 Special Needs Children” but allegedly the actual use is for a church with an area for commercial activity.
4. **The Legal and Administrative** costs are mounting up and one appeal could cost as much as R70 000 in legal fees alone. If taken on Review in the High Court, the costs could exceed R250 000!

Your help is needed!

**CONOMIRRA URGENTLY REQUIRES FUNDS TO PAY FOR ANY OF THESE
ACTIONS ON YOUR BEHALF
AND ALSO FOR ANY FURTHER EMERGENCY ACTIONS.**

Please support this appeal – a small amount now could save huge costs in the future.
